By using this Software, you are agreeing to be bound by all terms of this License.

1. LICENSE

In consideration of payment of the License fee, which is a portion of the price you paid when you acquired this Software, or for other good and valuable consideration in the case of promotional Software, demonstration Software or Software updates, you hereby acknowledge that this Software is licensed (not sold) to you by Disney Interactive Studios, Inc. ("Publisher"). Publisher does not transfer title to the Software to you; this License shall not be considered a 'sale' of the Software. You own the media on which the Software is recorded, but Publisher retains full and complete title to the Software on the media and the accompanying documentation, and all intellectual and industrial property rights therein. This non-exclusive and personal License gives you the right to use and display this copy of the Software. You must treat the Software like any other copyrighted material. You may not copy the Software or the written material accompanying the Software.

2. SOFTWARE RESTRICTIONS

The Software contains copyrighted material, trade secrets, and other proprietary material. You may not re-sell, decompile, reverse engineer, disassemble or otherwise reduce the Software to a human-perceivable form. Except as provided for in this License, you may not copy, modify, network, rent, lease, or otherwise distribute the Software; nor can you make the Software available by "bulletin boards," on-line services, remote dial-in, or network or telecommunications links of any kind; nor can you create derivative works or any other works that are based upon or derived from the Software in whole or in part. Within the terms of this License agreement, you may transfer all of the license rights to the Software to another party, provided that the original media containing the Software, the related documentation, all copyright notices, and a copy of this License are transferred to that party, and provided that party reads and agrees to accept the terms and conditions of this License. If you transfer the Software, you may not retain any copies or elements of the Software for your own use. This Software is for your PERSONAL, NON-COMMERCIAL, and NON-GOVERNMENTAL use only.

Further, you may not sell or publicly display such images or video (or any material containing such images or video), which means, without limitation, that you are not permitted to (i) sell any material containing printed images generated by the Software, (ii) post or make available any such images or video on any publicly accessible websites, "bulletin boards" or FTP sites, (iii) publicly transmit or publish the images or video in any manner, or (iv) make such images or video accessible to others by means of networking or sharing applications. Without limiting the foregoing, you may not use images generated by the Software in connection with any advertising or promotional materials, whether for profit or not for profit. You agree further that you will preserve all copyright notices that the Software imbeds within the output of all images and video. If any such image (a) is solely created by you, and (b) does not contain or is not based upon Publisher's copyrighted characters or material, the restrictions in this Subsection 3(A) shall not apply.

B. Appropriate Use. This License does not authorize you to combine images containing Publisher's copyrighted characters or material with content that is not wholesome or that otherwise disparages Publisher or Publisher's copyrighted characters or material, including without limitation, content that (a) contains nudity, pornography or sexually explicit materials; (b) promotes or portrays violence; (c) promotes or portrays discrimination based on race, sex, religion, nationality, disability, sexual orientation, or age; (d) promotes or portrays illegal activities; (e) promotes or portrays tobacco, liquor, or gambling; (f) infringes any intellectual property rights of Publisher or any third party, or otherwise violates the rights of any third party; (g) contains material that is defamatory, fraudulent, or harassing to Publisher or any third party; (h) advocates the adoption or promotes the ideology of a specific religious or political viewpoint; or (i) is otherwise in conflict with The Walt Disney Company's image and reputation as a provider of family entertainment.

4. OWNERSHIP OF PROTECTED MATERIAL This Software contains audiovisual material, including, without limitation, images, sound, music and characters, that are owned by or licensed to Publisher (collectively, the "Protected Material"). Further, the Software may allow you to create output containing the Protected Material. You acknowledge and agree that, as between you and Publisher, Publisher exclusively owns all copyrights, trademarks and all other present and future intellectual property rights in and to the Protected Material as such material appears in the Software and on or in any output generated by the Software. Your use of such Protected Material shall inure to Publisher's benefit. You shall neither acquire nor assert copyright or any other intellectual property rights in or to the Protected Material or in any derivation, adaptation, or variation thereof. Other than with respect to the Protected Material, Publisher claims no rights in or to any content created by you using the Software.

5. TERMINATION

Use of images generated by the Software for any purpose not specifically allowed by this License is a violation of this License, and may also violate Publisher's copyrights, trademarks and other proprietary rights, and will result in the immediate termination of this License, whether or not Publisher is aware of such violation or whether or not Publisher has notified you of such violation.

This License is effective until terminated by either party. You may terminate this License at any time by returning the Software to Publisher or destroying the Software and all related documentation and all copies and installations thereof, along with all output generated by the use of this Software. This License will terminate immediately without notice from Publisher if you fail to comply with any provision of this License. Upon termination, you must destroy or return to Publisher the Software and related documentation.
